Surrender Essential Oil is a blend designed to balance and calm the emotions; and release controlling and/or unfocused behaviors.

Many times when we tend to be overbearing and committed to our ways we become one sided and can't see what is in front of us; even if it is an opportunity or a solution to our problem. Surrender oil will help us relax and clear the mind so we can be more open minded and see our way through. It also helps release stress so we can become emotionally balanced. Moreover, it can help us release resistance to change and the fear of moving forward.

All of us often have challenging times in our lives where it is hard to keep focused on what we need to do to move forward and take action. Whether it is an emotional issue or a life challenge, surrender essential oil can help us surrender to what we can't control and develop a fresh outlook.

Manipulation can be infectious, as it leads to the disillusion of being controlling and exerting power over people around you. Not with standing negativity in your feelings about a situation, your actions might contradict your intentions.
