- 10–15 pounds: 10–14 treats
- 15+ pounds: Up to 15 treats

ANIMAL SCENTS® CAT TREATS

CAUTIONS

Always offer plenty of water when giving your pet treats or food. Ensure that your cat chews the treat completely, as gulping may be harmful to your pet. This product is not recommended for pets with a history of gulping, choking, or poor chewing capability. Consult with your veterinarian about the proper nutrition for your pet.

INGREDIENTS

Chicken meal, Pea protein (55%), Tapioca starch, Pea powder (yellow), Chicken fat, Chicken, Chicken flavor palatants, Brewer's yeast, Potassium chloride, Calcium carbonate, Gluconolactone, Citric acid, AMALFIE (antioxidant blend): Sunflower oil, Mixed tocopherols, Rosemary extract (1%), Ginger (*Zingiber officinale*) root oil

FREQUENTLY ASKED QUESTIONS

Q. Do the cat treats offer any nutritional benefits?

A. Animal Scents Cat Treats are high in protein. This component supports healthy muscles.

Q. What are chicken flavor palatants, and what purpose do they serve in this product?

A. Chicken flavor palatants improve the flavor of pet treats for your animal. The palatants make the treat tastier, helping to ensure that your cat will always come back for cat treats.

Q. Can I add essential oils to the chews for my pets?

A. Remember that this product is specifically formulated for cats and their safety. If you decide to add more oil to the treats, please ensure that they are considered a dietary essential oil and safe for your pet.

Q. Are the cat treats gluten free?

A. Animal Scents Cat Treats do not contain any gluten ingredients.
