

PRODUCT SUMMARY

The Dalmatia Aromatic Oil Collection is an exclusive, limited-quantity set available only at the 2016 International Grand Convention. It includes three 5-ml oils from Young Living's new Dalmatia Aromatic Farm near the Adriatic Sea in Split, Croatia. These luxurious oils, including Dalmatia Bay Laurel, Dalmatia Juniper, and Dalmatia Sage, bring the earthy and aromatic scents of the Mediterranean to your home. All the oils are distilled at the new Dalmatia farm, capturing the true essence of these Croatian oils.

Young Living will donate \$10 of each sale of the Dalmatia Aromatic Oil Collection to the Maestral Orphanage in Croatia. We're committed to supporting important philanthropic endeavors, and this collection provides an opportunity to contribute to an important cause.

KEY INGREDIENTS

Dalmatia Bay Laurel (*Laurus nobilis*), Dalmatia Juniper (*Juniperus oxycedrus*), Dalmatia Sage (*Salvia officinalis*)

EXPERIENCE

Located in the rugged lands of Croatia, the region of Dalmatia is home to one of Young Living's Seed to Seal® partners, the Dalmatia Aromatic Farm. Originally developed to cultivate helichrysum, this farm has expanded to include the three oils found in this limited-edition collection: Dalmatia Juniper, Dalmatia Bay Laurel, and Dalmatia Sage. Let these unique and inspiring oils transport your senses to the storied region of Dalmatia.

PRODUCT BACKGROUND

Our new Dalmatia Aromatic Oil Collection is an assortment of three oils with a rich history in Croatia. Dalmatia Bay Laurel, Dalmatia Sage, and Dalmatia Juniper are all distilled at our Dalmatia Aromatic Farm near the Adriatic Sea in Split, Croatia.

Dalmatian Juniper is a different species (*Juniperus oxycedrus*) from Young Living's regularly offered Juniper (*Juniperus osteosperma*).

FREQUENTLY ASKED QUESTIONS

Q. How are the Dalmatia Aromatic Oil Collection oils different from the existing Young Living *Laurus Nobilis* (Bay Laurel), Juniper, and Sage essential oils?

A. The Dalmatia Juniper is a different species (*Juniperus oxycedrus*) from our regularly offered Juniper (*Juniperus osteosperma*), and although the Dalmatia Sage (*Salvia officinalis*) and Dalmatia Bay Laurel (*Laurus nobilis*) are the same species as current Young Living oils, all of the oils in this collection are distilled at our new Dalmatia Aromatic Farm.

Q. Does purchasing these oils contribute to the Croatian community from where the oils were harvested?

A. Yes. Young Living has committed to donating \$10 from the sale of every Dalmatia Aromatic Oil Collection to the Maestral Orphanage in Croatia.

Q. Will the oils be available to purchase as singles at the convention?

A. No. They are only sold together as part of the Dalmatia Aromatic Oil Collection and only while supplies last at the 2016 International Grand Convention.
