

Citrus Fresh Vitality

The new year presents endless possibilities for improvement—in our homes, in our goals, and in our lives. To help you get 2017 off to an amazing start, try using these two essential oils in new, inventive ways—and get them for free with your qualifying January order:

- Give your taste buds a treat by inviting Citrus Fresh Vitality™ to the party! Encourage yourself to drink more water in 2017 by adding a few delicious drops to your water bottle.
- Citrus Fresh Vitality tastes great, and it also makes a great dietary supplement! Just add 1–2 drops to a vegetarian gel capsule and take as needed.
- Simply add a few drops to a glass water bottle for an instant flavor boost!
- Add 1–2 drops to every 2 ounces of fruit juice, vegetable juice, or NingXia Red® to enjoy Citrus Fresh Vitality's naturally occurring constituents limonene, beta-pinene, and linalool.
