PRODUCT BACKGROUND

To create Joy's unique and lovely scent, oils such as Bergamot, Ylang Ylang, Geranium, and Rose combine to make the perfect floral and citrusy aroma. Most of these oils have a rich history: Bergamot is rumored to have been taken to Italy by way of the Canary Islands by Christopher Columbus. Rose has been praised for its fragrance and other qualities since Ancient Greek and Roman times. With such powerful oils, it's no surprise that Joy is a member favorite.
