Directions

SAVVY MINERALS
by YOUNG LIVING

First, apply ART® Renewal Serum and ART® Light Moisturizer to prep your face for application. Sprinkle the desired amount of Mineral Foundation into the jar lid and grab your foundation brush. Swirl the brush in the lid to collect the powder and lightly tap the brush handle to dust off any excess. Using circular motions, blend the powder into your skin, repeating to build coverage. For concentrated, flawless coverage, mist your brush 2–3 times with Savvy Minerals Misting Spray before swirling it in the powder.
