

# AromaGlobe Ultrasonic Diffuser

Item No. 41411 (UK Plug) | 41417 (EU Plug)

Diffuse anytime, anywhere with Young Living's new limited-time AromaGlobe Ultrasonic Diffuser. Designed to move easily from room to room, this battery-operated diffuser gives you the freedom to transform your whole home in one go.

The AromaGlobe Diffuser is a rechargeable ultrasonic aroma diffuser created with your convenience in mind. Petite yet powerful, it offers up to 12 hours of cool aromatic mist when plugged in or four hours without a power source. Thanks to the AromaGlobe's compact size, you can place it on your desktop, tea table, bathroom counter, or anywhere else that surface space is at a premium. Its sleek, simple design blends in seamlessly with your décor, so wherever you place it, it will look right at home.

## Benefits and Features

- Coverage area: medium-sized room (approximately up to 30 m<sup>2</sup>)
- Run time: 2 hours on high, 8 hours on low, 12 hours intermittently (one minute on/one minute off), or up to 4 hours wire free

Battery: 3.6V 3350mAh

# AromaGlobe Ultrasonic Diffuser

## Suggested Use

- Add 15–20 drops of your favourite essential oil to create an uplifting, calming, or relaxing atmosphere.
- Use in spaces like your kitchen or bathroom for a fresh scent.
- Switch the light on for a warm, candle-like glow while you curl up with a good book or enjoy a soothing soak in the tub.

## Directions

Fill the reservoir with water and add 15–20 drops of essential oils. Select your preferred diffusion and light modes and enjoy.

If the diffuser is plugged in:

- Press the Mist button once to turn on the diffuser and start the default runtime of 2 hours.
- Press the Mist button twice to change the runtime to 8 hours, and three times to change it to 12 hours.
- Press the Mist button four times to turn off the diffuser before it reaches the end of its cycle.
- Press the LED Light button to switch the light on or off independent of the diffusion modes.

If the diffuser is not plugged in:

- Press the Mist button once to turn on the diffuser and start the default runtime of 2 hours.
- Press the Mist button twice to change the runtime to 4 hours, and three times to switch to intermittent mode.
- Press the Mist button four times to turn off the diffuser before it reaches the end of its cycle.
- Press the LED Light button to switch the light on or off independent of the diffusion modes.
