Australian Blue

Product Background

Australian Blue essential oil blend is often used to uplift the spirit. This blend of 16 oils contains Blue Cypress, which is acquired from the distillation of the highly prized *Callitris intratropica* wood, known as northern cypress pine in Australia. It has been used for thousands of years by the Aboriginal tribes there.

The other oils in this blend are Ylang Ylang, Cedarwood, White Fir, Geranium, Grapefruit, Tangerine, Spearmint, Davana, Lime, Lemon, Ocotea, Jasmine, German Chamomile, Blue Tansy, and Rose. This blend gets its blue colour from the azulene and chamazulene compounds found in Blue Cypress and Blue Tansy essential oils.
