

Blue Cypress

Product Size: 5 ml Item No. 39080

Blue Cypress has a fresh scent with notes of citrus and cedar. Indigenous to Australia, this cobalt-blue essential oil has traditionally been used to moisturise dry skin and has historical use as a component in perfumes and even as an adhesive.

Product Background

The Blue Cypress tree, *Callitris intratropica*, has a fresh scent similar to other evergreens with a touch of lemony sweetness, and can live as long as 200 years. This uniquely Australian essential oil comes from the Outback Botanical Reserve and Distillery in Darwin, Australia.

Benefits and Features

- Boasts a sweet, fruity and outdoorsy aroma
- Skin moisturising
- Adds a refreshing boost when added to daily facial cleansing routine

Suggested Use

- Add it to your daily skin care routine, along with Frankincense or Helichrysum.
- Enjoy the added moisture it brings to your skin during cold or dry weather.
- Put a drop or two in shaving cream or soap to help soothe skin while shaving.
- Create a DIY massage oil using Young Living V-6® Enhanced Vegetable Oil Complex and several drops of Blue Cypress.

Directions

Apply to desired area. In case of sensitivity, dilute as needed in Young Living V-6®.

Cautions

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are nursing, taking medication, or have a medical condition, consult a health care professional prior to use. Not intended for use during pregnancy.

Ingredients

Callitris intratropica* (Blue cypress) wood oil
