

Desert Mist Diffuser

Item no. UK Plug: #27980 | EU Plug: #27981

The Desert Mist Diffuser functions as an atomiser and aroma diffuser in one simple-to-use product, and offers multiple settings—High, Low, and Intermittent mode—to permeate your home or office and offer aromas for up to 10 hours. This fantastic diffuser also offers 11 individual light settings, including a candle-like flicker mode, so you can customise your experience to suit any mood. Includes Citronella 5 ml and Orange 5 ml.

Benefits and Features

- Diffusing essential oils offers a perfect way to relax and creates an aroma-filled atmosphere of peace and harmony.
- Three run modes are perfect for a customisable experience – High mode runs approximately 5 hours continuously; Low mode runs approximately 8 hours continuously; Intermittent mode (1 minute on/1 minute off) runs approximately 10 hours.
- The diffuser's 11 different light settings can be turned off or on independent of diffuser function.
- The diffuser includes a romantic candle-like flicker mode.
- The diffuser includes a light cycle mode, so colours transition gently from one to another.

Suggested Use

1. Remove both the outer and inner cover.
2. Add room-temperature water until the level reaches but does not exceed the water fill line. (Always unplug the diffuser when filling or emptying the water reservoir).
3. Add 8–10 drops of your chosen essential oil.
4. Replace both lids back onto the unit; align the groove on the inner cover to the half circle on the side of the reservoir.
5. Plug the power adapter into a power outlet.
6. Press the Power button to turn the diffuser on (One push = High mode, 2 pushes = Low mode, 3 pushes = Intermittent mode).
7. Press the Light button to cycle through the light modes and colours.

Desert Mist Diffuser

Product Background

The Desert Mist Diffuser's design was chosen to appear as an elegant vase that our Brand Partners could proudly display in their homes without disrupting their décor. But we didn't stop at just making a beautiful diffuser: we improved the run times and features, along with different light modes, making it one of the most versatile diffusers that Young Living has ever offered.
