## PRODUCT BACKGROUND

Designed with kids in mind, Young Living's Feather the Owl Diffuser is convenient, easy to use with adult supervision and quite possibly the cutest diffuser on the market. Our feathered friend saves space by replacing the need for a night-light and white-noise machine. This darling diffuser features an array of diffusion, light and sound combinations, so you can set the stage for play or winding down—all with the convenience of touch-sensitive controls.

## WHY WE LOVE IT

- Exclusive Easy-Touch Talons offer touch-sensitive power and light operation.
- Diffuses your favourite essential oils and works perfectly with Young Living's KidScents essential oil blends.
- Three run modes to customise your aromatic experience: High mode runs continuously for approximately 5-6 hours, Low mode runs continuously for approximately 8 hours, Intermittent mode runs for approximately 10 hours—1 minute on, 1 minute off.
- Built-in speaker with five different sound variations: rain, birds, ocean waves, fan and lullaby.
- Ten different LED light options to fit any mood.

- Night-light and white noise function independently of diffuser mode.
- Adult supervision is advised.

## SUGGESTED USE

1. Remove Feather's lid.
2. Add room-temperature water until it reaches but does not exceed the water fill line.
3. Add 5-8 drops of Young Living essential oil.
4. Replace lid.
5. Plug the power adapter into a power outlet.
6. Tap the middle toe on the right foot to turn on the diffuser. One tap for high mode, two taps for low mode, and three taps for intermittent mode. Four taps will turn the diffuser off.
7. Tap the middle toe on the left foot to cycle through light modes and colours.
8. Press the sound button on the back of the diffuser to cycle through the sound options. Press the volume button to adjust the volume.
