

## PRODUCT SUMMARY

Let your little ones stay active with our MightyZyme chewable food supplement tablets. Ideal for children aged 6 years old+, serve one tablet, three times daily, before meals. For those aged 3–6 years old, chew half—one tablet, crushed if needed into a pureé or yoghurt. Containing carrot root powder and a touch of Peppermint, as well as mixed berry flavour for a tasty treat.

## KEY INGREDIENTS

MightyZyme is formulated with Carrot root powder. Enjoy the sweet and tart taste of Pineapple extract as well as the subtle minty freshness of Peppermint. Infused with a delicious mixed berry flavour.

## EXPERIENCE

MightyZyme's mixed berry flavour provides a sweet and tasty experience for children aged 6 years old+. Serve one chewable tablet, three times daily, before meals. For those aged 3–6 years old, serve half—one tablet, crushing if needed into a pureé or yoghurt. Packaged in a convenient, water-tight container to ensure freshness, requiring no refrigeration.

## PRODUCT BACKGROUND

MightyZyme chewable tablets are delicious kids supplements. Cruelty-free and vegan-friendly, upholding our highest Seed to Seal<sup>®</sup> standards.

## BENEFITS & FEATURES

- Mixed berry flavour: Great tasting deep berry and fruity flavours, ideal for taking before meals.
- Pineapple extract: This tropical sweet-sour juicy yellow fruit is popular during the summer.
- Contains Carrot root powder and Peppermint oil powder.
- Cruelty-free and vegan-friendly.

## DIRECTIONS

- For children aged 6 or older: Serve 1 tablet 3 times daily prior to, or with meals. For children aged 3–6 years old: Serve half—one tablet (crushed if needed and mixed with yoghurt or apple purée).
- Food supplements should not be used as a substitute for a varied diet.

## STORAGE

Keep in a cool, dry place.

## CAUTIONS

Keep out of reach of children. Do not exceed daily recommended dose. If you are pregnant, nursing,

taking medication, or have a medical condition, consult a healthcare professional prior to use.
