

SUPER VITAMIN D

Product Size | 120 tablets Item No. 29683

Who doesn't need a super boost of sunshine? This dissolvable tablet is made with lemon balm extract and vitamin D. With our proprietary formula and delivery system, Young Living's plant-based Super Vitamin D is vegan friendly Dissolvable in a delicious mixed berry-flavoured tablet, Super Vitamin D is a super source of vitamin D that contributes to the maintenance of normal bones and normal muscle function. Vitamin D contributes to the normal function of the immune system.

KEY INGREDIENTS

- Vitamin D derived from lichen that is grown and harvested in the United States.
- Lemon balm extract sourced from the fields of Spain.
- Lime peel oil that is 100 percent pure and sourced from our Finca Victoria Partner Farm in Ciudad Victoria, Mexico.
- Melissa plant oil, a sought-after oil from France that is distilled from the melissa plant.

BENEFITS AND FEATURES

- Plant based and vegan friendly.
- Vitamin D contributes to the normal function of the immune system.
- Proprietary dissolving tablet makes it easy to take on the go.
- Contains no gluten, soy, dairy, egg, fish, shellfish, or nut-containing ingredients.

DIRECTIONS

Take 1 tablet daily with food. Place in mouth and allow to dissolve for 5-10 seconds, then chew.

CAUTIONS

Keep out of reach of children. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use. Storage: Keep in a cool, dark place.

PRODUCT BACKGROUND

Containing 500 percent of the daily intake of vitamin D, Super Vitamin D gives you the support you need from naturally-derived and plant-based sources in a dissolving tablet unlike any you've seen. Our vitamin D is sourced from lichen—a plant native to North America, Scandinavia, and Asia—that's been used historically in European tradition.
