

## PRODUCT SUMMARY

Rose Ointment soothes and deeply hydrates skin with premium botanicals and pure essential oils such as Rose, Tea Tree and Ylang Ylang. Easy to use and ultra-versatile, this luxurious balm is perfect for use on lips, cuticles, elbows, knees and other areas of dry skin. Rose essential oil improves skin texture, while Tea Tree (*Melaleuca Alternifolia*) works to soothe rough skin.

## KEY INGREDIENTS

Sunflower seed wax & oil, jojoba, raspberry seed oil, avocado oil, Rose, Tea Tree and Ylang Ylang essential oils

## BENEFITS & FEATURES

- Soothes, moistures and softens dry skin.
- Seals moisture into skin and replenishes the moisture barrier.
- Supports healthy-looking skin.
- Formulated for sensitive skin.
- Provides long-lasting hydration.
- Easy to use and ultra-versatile.
- Formulated without parabens, phthalates, petrochemicals, animal-derived ingredients, synthetic preservatives, synthetic fragrances or artificial colours.
- Vegan friendly and cruelty free.

## SUGGESTED USE

- Perfect for use on lips, cuticles, elbows, knees and other areas of dry skin.

## DIRECTIONS

Apply to skin as needed. Can be used with or without essential oils. If essential oils are used, apply oils to skin first.

## CAUTIONS

Keep out of reach of children. For external use only.

## STORAGE

Keep in a cool, dark place.

# ROSE OINTMENT™

## FREQUENTLY ASKED QUESTIONS

**Q. Does Rose Ointment contain any gluten or gluten derived ingredients?**

A. While there are no gluten containing ingredients used in Rose Ointment it has not been tested or certified gluten free.

**Q. Are there any areas on which I should not use Rose Ointment?**

A. Rose Ointment may be applied to desired areas of the skin. Do not use on heat-stressed skin.

**Q. Is Rose Ointment vegetarian and/or vegan?**

A. Yes, Rose Ointment is considered both vegetarian and vegan.

**Q. The Rose Ointment appears hard and waxy. Is this normal?**

A. Yes, this Rose Ointment consistency is typical. The ointments are filled when they are hot liquid. When the product cools it forms a hard, waxy substance. As you rub the product with your finger it will have more of an ointment consistency.

**Q. Where is Rose Ointment manufactured?**

A. Rose Ointment is manufactured within the United States.
