

Though Blue Tansy essential oil, *Tanacetum annuum*, is harvested from tiny yellow flowers in the chamomile family, the naturally occurring constituent chamazulene turns the powerfully pure essential oil a beautifully rich blue colour during the steam distillation process. Native to Morocco, blue tansy is a rare botanical that is most commonly known for its use in high-end, luxury beauty products. For years Young Living members have enjoyed the benefits of Blue Tansy essential oil in some of our most popular blends, including Valor, Peace & Calming, and JuvaFlex. Now Blue Tansy is available as a single oil for you to diffuse, apply topically, and share!

HOW TO USE

- Topical: Dilute 1 drop with 1 drop of V-6™ or olive oil and apply to desired area as needed.
- Aromatic: Diffuse up to 30 minutes 3 times daily.

CAUTION

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.

INGREDIENTS

Tanacetum annuum (Blue Tansy) oil
