

GOLDENROD

Product Size 5 ml Item No. 36944

Goldenrod (*Solidago canadensis*) essential oil is steam distilled from the yellow flowering plant that grows abundantly in North America. With the key constituent alpha-pinene, this essential oil has an array of benefits, including the ability to support the appearance of healthy-looking skin and to create a calming and relaxing environment when inhaled.

Goldenrod's strong, floral aroma is the perfect companion to your spiritual practices to help calm the body and mind. Goldenrod's aroma will turn any room into a relaxing retreat and can be inhaled directly for an instant reverie while you're on the go.

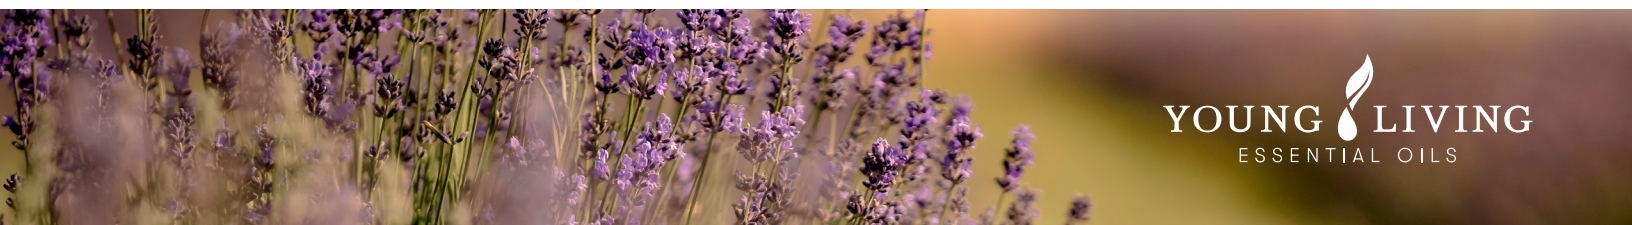

BENEFITS AND FEATURES

- Has a calming and relaxing aroma
- Enhances the appearance of healthy-looking skin
- Includes the key constituent alpha-pinene

SUGGESTED USE

- Apply topically in the evenings to help create a relaxing environment.
- Add it to Young Living V-6® Vegetable Oil Complex and use it for a massage with a pleasant, calming aroma.
- Use it with your daily face wash or apply it to your skin directly after washing to help enhance the appearance of healthy-looking skin.
- Rub it into the bottoms of your feet or the back of your neck as part of your bedtime routine.

GOLDENROD

PRODUCT BACKGROUND

A flowering herb with bright yellow tops, Goldenrod comes from the Asteraceae botanical family. Its scientific name, *Solidago*, comes from the Latin word *solidare*, which means “to strengthen.” The plant is most often found in North America, but some species are found in Europe as well. It grows well in open areas such as meadows, prairies, savannas, and mountains, and you can find it at Young Living’s Whispering Springs Farm in Mona, Utah!

DIRECTIONS

Dilute 1 drop with 1 drop of Young Living V-6® Vegetable Oil Complex or olive oil and apply to desired area as needed.

CAUTIONS

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use.
