- Cruelty free

Key Ingredients

Idaho Grand Fir: Soothes the skin and is soothing to tired muscles when combined with massage

Tea Tree: Contains cleansing properties

Elemi: Helps support the appearance of skin

KidScents® KidCare Roll-On

Product Background

Each of the oils in the exclusive KidScents® KidCare blend were selected for their calming scent or skin-soothing properties. Elemi essential oil comes from the pili trees at the Young Living farm in the Bicol Region, Philippines. Like Frankincense, this essential oil is distilled from the harvested tree resin. Elemi essential oil has a history of being used in ancient practices and has been incorporated into beauty routines. Tea Tree, also known as *Melaleuca Alternifolia*, has long been used in skin care routines for its cleansing properties. KidScents® KidCare combines Tea Tree and Elemi essential oils with the grounding, calming, and relaxing aroma of Idaho Grand Fir to create a soothing aroma to help in times of distress. Take KidCare with you to children's outdoor activities, so you can leave your worries at home.

Suggested Use

- Carry KidScents® KidCare in your purse or backpack to roll on when needed during outdoor adventures.
- Roll on KidScents® KidCare to soothe skin.

Directions

Recommended application is for children ages 2-12. Apply generously to desired area. Dilution not required, except for the most sensitive skin. Use as needed. Keep in a cool, dark place.
