# KidScents® Refresh Roll-On

## Product Background

KidScents® Refresh contains a carefully selected blend of cooling, richly aromatic essential oils, including our Young Living R.C.® blend and Dorado Azul, both of which are exclusive to Young Living. Young Living R.C. contains the constituents eucalyptol, menthol, and alpha-pinene, which produce an aroma that provides a sensation of deeper breathing when inhaled. Dorado Azul, discovered by Young Living Founder D. Gary Young, comes from our farm in Ecuador, where the tropical climate and rich soil nurture it and Palo Santo, another botanical found in the KidScents Refresh blend. KidScents Refresh is a comforting hug in a bottle for little ones!

## Cautions

To be applied only by a trusted adult or under adult supervision. Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are nursing, taking medication, or have a medical condition, consult a health care professional prior to use.

## Directions

Apply generously on wrist, back of neck, chest, throat, or shoulders to promote a soothing experience. Use aromatically to allow children to breathe in the soothing aroma. Recommended application is for children ages 2–12. Dilution not required, except for the most sensitive skin. Use as needed.
