Key Ingredients

Ginger: Aroma is warm and spicy and contains the naturally occurring constituents zingiberene and beta-phellandrene

Peppermint: Aroma provides a refreshing experience when inhaled and a cooling sensation when applied to the skin

Tangerine: Fresh, citrusy aroma can be a great addition to an uplifting environment and contains the naturally occurring constituents limonene and gamma-terpinene

Spearmint: Aroma promotes an inviting and comforting atmosphere

KidScents® TummyGize Roll-On

Product Background

TummyGize's key essential oils—Tangerine, Ginger, Peppermint, and Fennel—contain helpful naturally occurring constituents. Tangerine contains limonene and gamma-terpinene, while Ginger contains zingiberene and beta-phellandrene. Fennel seeds have been used for hundreds of years to support digestive function. The sweet liquorice-like aroma is soothing when trying to ease feelings of discomfort. Formulated without synthetic perfumes, dyes, or artificial colours, this child-friendly blend comes prediluted and is gentle on tiny tummies. Put KidScents TummyGize Roll-On's familiar scent to work creating a comforting, soothing atmosphere for your little one.

Cautions

To be applied only by a trusted adult or under adult supervision. Keep out of the reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use.

Directions

Massage directly onto your child's tender tummy for a soothing, calming aroma. Recommended application is for children ages 2-12. Dilution not required, except for the most sensitive skin. Use as needed.
