

SAVVY MINERALS® LIQUID CONCEALER

Product Size 5 ml

Highlight, brighten, and conceal! Made with clean, naturally derived ingredients, our Savvy Minerals® Liquid Concealer helps cover spots, lighten the look of under-eye circles, and hide imperfections. This medium-to full-coverage liquid concealer's buildable formula also smooths and hydrates the skin. Its creamy, lightweight formula blends effortlessly for a natural look that won't settle into lines, cake, crease, or flake. Plus, it's made with Young Living's Manuka essential oil to help reduce the appearance of blemishes. Show your skin some love with our Savvy Minerals Liquid Concealer!

KEY INGREDIENTS

Self-smoothing plant-based polymers help increase the moisture of the skin to create a smooth finish.

Tea Tree essential oil has cleansing properties.

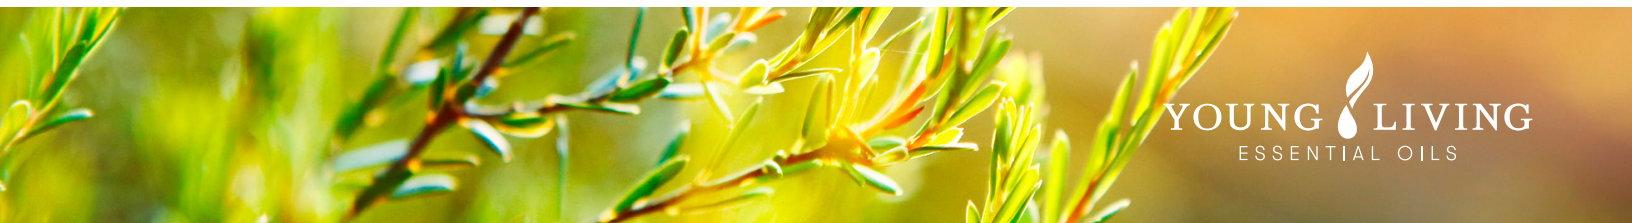

Manuka essential oil reduces the appearance of blemishes and supports healthy-looking skin.

BENEFITS AND FEATURES

- Creamy, weightless formula designed for smooth finish
- Luminous and rich in pigment for medium to full coverage
- Won't settle into lines, cake, crease, or flake
- Cruelty-free
- Vegan-friendly
- Aids in smoothing the appearance of skin while reducing the look of redness
- The NEW Standard in Clean Beauty means no chlorine, sulphates, phthalates, mineral oil, animal-derived ingredients, synthetic fragrances, or synthetic dyes

PRODUCT BACKGROUND

With Savvy Minerals by Young Living, be confident that you are part of the NEW Standard in Clean Beauty, which means you're not covering your skin in harsh substances. Helping define the trend in clean beauty products, our liquid concealer has no chlorine, sulphates, phthalates, mineral oil, animal-derived ingredients, synthetic fragrances, or synthetic dyes. Be beautiful and clean with Savvy Minerals by Young Living Liquid Concealer.

PRODUCT CODES

Light 1 - 29343

Medium 1 - 29356

Dark 1 - 29369

Light 2 - 29349

Medium 2 - 29363

Dark 2 - 29372

SUGGESTED USE

Shake well before use. Apply concealer directly onto blemishes or imperfections and blend with fingertips or a sponge or brush. To cover and conceal dark circles, apply 3 dots under the eye area, focusing on where the colour is most intense. Blend outwards.

CAUTIONS

Keep out of reach of children. For external use only.
