Shutran® Aftershave Lotion

Product Background

Scraping your face with sharp blades is rough on skin, and the right products can make all the difference in a shave routine. We created Shutran® Aftershave Lotion as a companion product to our Shutran Shave Cream to transform your entire shaving experience. With a plant-based formula that's free from parabens, phthalates, synthetic fragrances, or other unnecessary ingredients commonly found in shave products, Shutran Aftershave Lotion offers a little piece of feel-good luxury to the final step of your routine.

Directions

Apply a small amount to face after shaving with Young Living's Shutran Shave Cream. Can also be applied in between shaves to keep skin moisturised.

Cautions

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes.
