

# VIYA TRAVEL DIFFUSER

Item No. 35298

The Viya Travel Diffuser is Young Living's exclusive on-the-go car and camper diffuser. With its five-hour run time, straightforward controls, spill-resistant reservoir, and compact size, the Viya is designed to be the ultimate wanderlust sidekick.

## BENEFITS AND FEATURES

- Exclusively designed and offered by Young Living
- Completely portable—perfectly sized to fit in a car cup holder
- Features a spill-resistant reservoir
- Designed with a fingerprint- and dirt-resistant colour and texture
- Includes a USB power cord
- Multiple run times and light settings allow for complete customisation
- High mode runs up to two and a half hours
- Intermittent mode (one minute on/one minute off) runs up to five hours
- Three lighting colour options with muted tones that won't distract you while driving
- Each resin cover is randomly blended before moulding, so each cover pattern is unique
- The Viya works outside or anywhere when plugged into a USB power bank (not included)

## PRODUCT BACKGROUND

The Viya Travel Diffuser transforms any vehicle into your own essential oil oasis with its free-spirited, super-portable custom design. This sleek little diffuser is fingerprint and dirt resistant with an elegant matte-grey finish that's right at home in your car's console. Simply put the Viya in your cup holder and use its simplified controls to transform your space with your favourite essential oils. Its unique, moulded-resin cover and spill-resistant top will keep you diffusing for up to five hours—long enough for even those long-haul trips. Diffusing on the go is a cinch, thanks to the travel friendly Viya. The Viya can also wander outside with you when plugged into a USB power bank (not included).

## DIRECTIONS

Fill the reservoir with water, add 3–4 drops of essential oil, select your diffusion and light modes, and enjoy.

## CAUTIONS

For safety and care information, refer to the Viya Travel Diffuser operation manual.
