

# Palmarosa

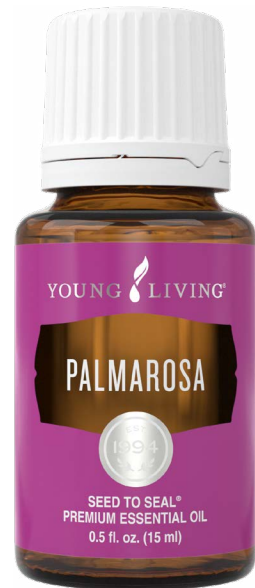

Product Size: 15 ml Item No. 39065

---

Palmarosa essential oil has a stimulating and soothing aroma and is a favourite for its ability to rejuvenate healthy-looking skin.

## Key Constituents

Geraniol, Geranyl acetate, Linalool

## Benefits and Features

- Has a soothing, green, rosy aroma
- Helps support the appearance of healthy-looking skin when applied topically
- A great alternative to Rose or Geranium in perfumes or oil blends
- Can be used topically to create a tranquil atmosphere
- Can be used during outdoor activities
- Formulated with gluten-free ingredients
- Vegan friendly
- Cruelty free

## Suggested Use

- Add a few drops to your facial essence, serum, or moisturiser for its delicate aroma and to help promote the appearance of healthy-looking skin.
- Combine Palmarosa with Ylang Ylang and Bergamot and top it off with Young Living V-6® Enhanced Vegetable Oil Complex to create a lush floral perfume or massage oil.
- Apply it with Lavender and Roman Chamomile as you unwind at the end of the day.
- Mix Palmarosa with Cedarwood and Citronella in a spray bottle and top it off with alcohol-free witch hazel to create a body spray for outdoor activities.

# Palmarosa

## Product Background

Palmarosa is steam distilled from *Cymbopogon martini*, one of several aromatic flowering grasses in the Poaceae family. Also known as Indian geranium and gingergrass, it is native to India and Indochina and is closely related to lemongrass and citronella. Palmarosa essential oil has a soothing, green, rosy aroma and is often added to facial moisturisers and serums for its fragrance and skin-supporting benefits.

## Cautions

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use.

## Directions

Apply to desired area. In case of sensitivity, dilute as needed in Young Living V-6®.
