Benefits and Features

- Works for all skin types
- Biodegradable
- Removes makeup from the eyes and face without stripping moisture
- Cools, soothes, and refreshes
- Nourishes, softens, and hydrates with no residue—rinsing not required
- Creates a radiant, healthy-looking complexion

Product Background

Our easy-to-use, biodegradable wipes use plant-based surfactants to gently remove impurities and makeup from the skin. Light emollients leave skin feeling clean, soft, and refreshed without a residue—no rinsing required! Hydrating ingredients like aloe prevent the stripping of moisture, while cucumber extract cools and soothes irritated skin. These wipes are ideal for all skin types.

Suggested Use

Wipe cloth gently on skin until all dirt and makeup is removed. Reseal package after each use to keep wipes fresh. Discard used wipes properly and do not flush.

Cautions

Keep out of reach of children. For external use only.
