

PRODUCT SUMMARY

Bring out the natural looking beauty of your eyes with Savvy Minerals by Young Living™ Eyeliner. It's made with mineral-based ingredients, is ideal for sensitive skin, and has a long-lasting, high color payoff. Its buildable color blends well to create neutral day and dramatic night looks.

KEY INGREDIENTS

Mica and Aspen bark extract

EXPERIENCE

Savvy Minerals by Young Living Eyeliner is a powder formulation that allows for buildable color, and it glides on smoothly and blends well to create any look you like. For higher impact, apply the powder with a moistened brush.

PRODUCT BACKGROUND

Savvy Minerals by Young Living is dedicated to provide cosmetics that empower in their own unique way, enhancing natural beauty. We wanted a makeup line that creates confidence without compromise. Each of our products is created with quality, purity, and safety in mind, so you can feel good about what you are putting on your face. Unlike most mineral cosmetic powders, those in our Savvy Minerals by Young Living Eyeliner are free from cheap fillers like talc and bismuth (low-quality, cheap fillers that can negatively affect the skin). Our powders are made with a mica mineral base, finely ground for a smooth, luxurious application.

DIRECTIONS

For a soft, everyday look, apply the eyeliner powder dry. Tap desired amount of powder into the cap, dip the brush in the powder, then lightly tap the brush handle against the side of the lid to remove the excess. Starting at the inside corner of the eye, apply the powder over the top of the lash line, moving outward.

For a smoky look, apply the eyeliner dry and then smudge it with a sponge-tip applicator or cotton swab. For a higher-impact, liquid look, apply the eyeliner powder wet. Tap desired amount of powder into the cap or on a mixing surface. Mix a few drops of water into the powder with the eyeliner brush, then apply along the lash line.

FREQUENTLY ASKED QUESTIONS

Q. What does the aspen bark extract in this formula do?

A. We've included aspen bark extract to help condition the skin and preserve the product from any potential microbial growth.

Q. Black eyeliner is a little too dark for me. Do you have another color option I could use?

A. We also offer our Multitasker, which is a dark brown powder that can be used as an eyeliner, brow filler, or eyeshadow. Try it as a lighter alternative to our Jet Setter Eyeliner.

Q. Can I use this eyeliner if I have sensitive eyes or skin?

A. Yes, this eyeliner is formulated to be gentle enough for those with sensitive eyes or skin.

Q. Is this eyeliner gluten free?

A. Savvy Minerals by Young Living Eyeliner is formulated without any gluten-containing ingredients, but it has not been certified gluten free.
