

Savvy Minerals

LIQUID FOUNDATION

Size: 30 ml

Discover radiant-looking skin and a youthful, dewy finish with Savvy Minerals by Young Living Liquid Foundation. This cruelty-free foundation gives you medium to full coverage with authentic, pure ingredients and is entirely vegan-friendly. The rich formula has a creamy, lightweight and blendable texture derived from Self-Smoothing, plant-based polymers that condition skin with a smooth, protective layer. These polymers deliver ingredients and essential oils that help moisturise the skin without a greasy or heavy feel. Our skin-loving formula glides on seamlessly and never cakes or settles into lines – making it great for skin of any age. Made with Sacred Sandalwood essential oil, ethically mined mica crystals to enhance the natural radiance of skin, and avocado oil to hydrate and reduce moisture loss, Savvy Minerals Liquid Foundation is part of the NEW standard of Clean Beauty.

Savvy Minerals

LIQUID FOUNDATION

PRODUCT BACKGROUND

With Savvy Minerals by Young Living, be confident that you are part of the NEW standard of Clean Beauty, meaning that you're not covering your skin in products that are full of harsh ingredients. Leading the way in clean beauty products, our liquid foundation has no sulphates, phthalates, mineral oil, animal-derived ingredients, synthetic fragrances, or synthetic dyes. Be beautiful and clean with Savvy Minerals by Young Living Liquid Foundation.

SUGGESTED USE

Shake bottle before use. For medium coverage, apply a small amount from the centre of the face outward and blend with fingertips. For fuller coverage, use the Savvy Minerals Full-Coverage Foundation Brush to build and layer as needed, and use Savvy Minerals Powder Foundation to set a matte finish.
