

Thieves® Kitchen & Bath Scrub

Product Size: 397 g Item No. 30656

Young Living's Thieves® Kitchen & Bath Scrub gives you the power of a surface scrub free of harsh fumes and residue. Thieves® Kitchen & Bath Scrub gains its tough scrubbing power from nepheline syenite, a mineral we obtain from responsibly mined sources in Ontario, Canada; baking soda that gently absorbs odours; sodium carbonate peroxide that releases oxygen when combined with water, providing a powerful boost of cleaning power against tough stains; and Young Living's signature Thieves® blend. Designed for use on multiple surfaces, Thieves® Kitchen & Bath Scrub is your new naturally derived cleaner: tough on messes and formulated with you, your family, and the environment in mind.

Benefits and Features

- Chlorine-free all-purpose cleaner that is safe for use on porcelain, ceramic, copper alloys, fibreglass, Corian, brass, bronze, and chrome
- Easily cleans cookware, stovetops, non-stone countertops, tiles, grout, bathtubs, taps, toilets, backsplashes, barbecue grills, outdoor patio furniture, and exteriors without scratching
- Removes grease, dirt, grime, residue, and tough stains from most surfaces without harsh chemical smells or residue

Key Ingredients

Nepheline Syenite: A naturally occurring mineral responsibly mined in Canada, nepheline syenite is formed from molten magma and is similar to granite. It provides the scrubbing power needed to remove tough stains without scratching.

Sodium bicarbonate: Commonly known as baking soda, this powder helps remove odours and gently cleanse.

Sodium Carbonate Peroxide: An effective, safer alternative to chlorine bleach, this ingredient releases oxygen to lift stains and dirt.

Citric acid: This naturally derived ingredient helps tackle tough hard-water surface stains.

Thieves® essential oil blend: Thieves® is a Young Living signature blend that features purifying essential oils known for their spicy, refreshing fragrances and cleansing properties.

Thieves® Kitchen & Bath Scrub

Directions

Sprinkle Thieves® Kitchen & Bath Scrub onto a wet surface or sponge. Rub the surface with a cloth or sponge for a sparkling clean, then rinse.

Note: Thieves® Kitchen & Bath Scrub is a mildly abrasive cleaner. Do not use it on surfaces that the manufacturer states should not be cleaned with abrasive cleaners. Always test a small hidden area first. Do not use on windows, mirrors, polished stone, or surfaces that are lacquered or painted. When cleaning brushed metal surfaces, always rub in the direction of the brush lines. It is not intended for use on brushed/polished stainless-steel appliances.

Warning

Keep out of reach of children. For external use only. Avoid contact with eyes or mucus membranes. In case of eye contact, immediately flush thoroughly with water. If swallowed or inhaled, drink plenty of water and contact a health care professional. Flush immediately if product comes in contact with skin. It is recommended to avoid contact with skin by using gloves when cleaning. If contact accidentally occurs, wash off with water and gentle soap.
