Product Size: 5 ml

Item No. 52990

Awakening is the instant you see your possibilities clearly and your purpose feels closer, brighter, and within reach. Start that shift with the inspiring, slightly sweet, earthy aroma that brings together five Young Living blends to inspire a more intentional you.

Every transformation is preceded by an awakening. An awakening disrupts your assumptions, and you start to spot patterns you never noticed before. You see freedom where once you saw constraints – and gain a new vision of yourself. To create the Awaken blend, Founder D. Gary Young united five signature Young Living blends—Joy, Forgiveness, Present Time, Dream Catcher, and Harmony – to inspire you while you strive for personal development.

Its warm, inviting scent can accompany moments of reflection, goal-setting, journaling, or meditation as you identify your true desires and how best to pursue them. Use it as you rouse your mind, body, and spirit to achieve your highest potential.
