# BRIGHTENING CLEANSER

100 ml Item No. 32672

BLOOM by Young Living Brightening Cleanser is a naturally derived facial wash that reveals radiant skin and leaves your face feeling fresh and smooth. BLOOM Brightening Cleanser is powered by plumeria flower extract, sodium hyaluronate, and pracaxi seed oil that helps to both cleanse and hydrate the skin.

Developed to address the appearance of uneven skin that has lost its natural radiance, the BLOOM by Young Living Brightening Skin Care Collection supports the appearance of brighter, luminous skin using naturally derived ingredients. Harnessing the power of the Sheerlumé Brightening Complex, the BLOOM Brightening Skin Care Collection reveals your radiance.
