BRIGHTENING ESSENCE

140 ml Item No. 32678

Dull skin's BFF is BLOOM by Young Living Brightening Essence. This luminous, gel-textured essence infuses moisture into the skin, refining skin's look and texture. Its formula supports skin barrier function and leaves your skin refreshed and radiant.

Developed to address uneven skin that has lost its natural radiance, the BLOOM by Young Living Brightening Skin Care Collection creates a system for brighter and more luminous looking skin using naturally derived ingredients. Harnessing the power of the Sheerlumé Brightening Complex, the BLOOM Brightening Skin Care Collection leaves you with radiant, glowing skin.

BRIGHTENING ESSENCE

PRODUCT BACKGROUND

The BLOOM by Young Living Brightening Skin Care Collection is infused with the most advanced naturally derived ingredients available to brighten the skin's appearance and add natural radiance. BLOOM products are formulated free of synthetic fragrance—just one more expression of our unwavering commitment to gentle beauty. Featuring the Sheerlume Brightening Complex, the BLOOM Brightening Skin Care Collection helps to intensify hydration, minimise the appearance of future damage, and help improve the appearance of an even skin tone.

On the inside of every BLOOM by Young Living box, you'll find a colour and cut-out flower activity to encourage the reuse of packaging and to help spread the message of reducing waste.
