# BRIGHTENING LOTION

50 ml Item No. 32680

BLOOM by Young Living Brightening Lotion, featuring the Sheerlumé Brightening Complex, is infused with the most advanced naturally derived ingredients available, brightening the skin's appearance while boosting the natural radiance. BLOOM's lightweight hydration helps moisturise skin while strengthening the moisture barrier.

BLOOM is formulated with pili pulp oil sourced directly from the Happy Pili Tree Farm and Distillery in the Philippines, cultivated and crafted according to Young Living's exacting Seed to Seal® quality commitment. Native to Southeast Asia, pili pulp oil offers major moisturising benefits for the skin.

Developed to address uneven skin and its natural radiance, BLOOM by Young Living Brightening Skin Care Collection creates a system for bright and luminous skin using naturally derived ingredients. Harnessing the power of the Sheerlumé Brightening Complex, the BLOOM Brightening Skin Care Collection leaves you with radiant, glowing looking skin.

## KEY INGREDIENTS

- **Pili pulp oil:** From our Happy Pili Tree Farm and Distillery in the Philippines, we chose this oil for its talents as a glow-making moisturiser.
- ***Alpinia officinaru*:** Also known as ginger root extract, this powerful ingredient brightens skin and balances the appearance of skin tone.
- ***Palmaria palmata*:** Derived from seaweed, *Palmaria palmata* is protective against signs of photoaging and can brighten and enhance the complexion and radiance of your skin.
- **Sodium carrageenan:** Derived from red algae, this ingredient works to moisturise and hydrate your skin, which helps strengthen the skin's natural protective layer.
- **Sheerlume Brightening Complex:** Composed of Vetiver, Blue Cypress, Davana, Royal Hawaiian Sandalwood, Clove, Jasmine, Carrot Seed, Spearmint, Geranium and Frankincense essential oils.
