EXPERIENCE

Bring minimal elegance to your space with this cloud blue wicker designed Sweet Aroma Diffuser. Select the perfect scent, enjoying two diffusion modes and ten lighting options. Calm, soothing or bright and breezy – what atmosphere will you create?

PRODUCT BACKGROUND

Inspired by traditional textile patterns, this modern diffuser uses cutting-edge ultrasonic diffusion technology, with long running times and multiple diffusion and lighting options.

BENEFITS & FEATURES

- Infuse your home with your favourite luxury scent.
- 10 LED lighting options for a subtle and sophisticated glow. Includes a colour-cycle mode, emitted from a subtle 360-degree band.
- Easy light settings can be turned on or off, independently of diffuser function.
- Provides far-reaching diffusion.
- Offers two diffusion modes: High mode runs for approximately four hours; Intermittent mode runs for approximately eight hours – one minute on, one minute off.
- In a classic cloud blue tone for simple serenity.
- Includes a complementary 5 ml Lemon essential oil.

SWEET AROMA DIFFUSER

HOW TO USE

- Simply add 5-8 drops of your favourite essential oil and diffuse to create a unique fragrance experience.
- Place in an open space such as an office desk, table or counter.
- Select your LED light option of choice.
- Enjoy refreshing notes as they gently fill your space.

CAUTIONS

For safety and care information, refer to the Sweet Aroma Diffuser Operation Manual.

- Room Coverage: 30 m²

FREQUENTLY ASKED QUESTIONS

Q: How many LED light colour options are there, and do they change colour?

A: The Sweet Aroma Diffuser offers 10 individual light settings with multiple colours. The lights can also run independently from diffuser modes or be turned off while diffusing.

Q: How much water does the diffuser hold and how long will it run before needing to be refilled?

A: The diffuser holds approximately 134 ml of water, which is a little less than ½ cup. High mode will run continuously for approximately four hours, and intermittent mode will run for approximately eight hours – one minute on, one minute off.
