Light Moisturiser

Product Size: 50 ml Item No 51634

Featherlight, fast-absorbing moisture.

Give skin weightless hydration with a featherlight moisturiser that absorbs quickly for a smooth, breathable finish. Multi-weight hyaluronic acid and apple extract help attract moisture to the skin's surface for a plump, dewy look, while squalane provides lightweight hydration with a silky, non-greasy finish. Aloe and antioxidant-rich botanicals leave skin feeling soft, comfortable and refreshed. Ideal for normal to oily skin and perfect for layering under makeup or SPF.

Benefits and Features

- **Weightless & Fast-Absorbing:** Feather-light, fast absorbing formula provides moisture support while maintaining a smooth, breathable finish.
- **Layered Hydration:** For a plump, smooth-looking complexion.
- **Vegan Friendly & Cruelty-Free:** That's a promise.
- **More Glow, Less Shine:** Weightless texture absorbs quickly, helping reduce the appearance of pores, shine, and heaviness.

Key Ingredients

Multi-Weight Hyaluronic Acid + Hibiscus Extract: Deliver layered hydration and help attract moisture to the skin's surface for a plump, smooth-looking complexion.

Squalane: Sourced from olives in Spain, it provides lightweight hydration with a silky, non-greasy finish while helping support the skin's moisture barrier.

Bergamot Essential Oil: Known for its soothing feel on the skin. Sourced from our BellaVista partner farm in Italy, supporting local employment, fair pay and responsible working conditions.

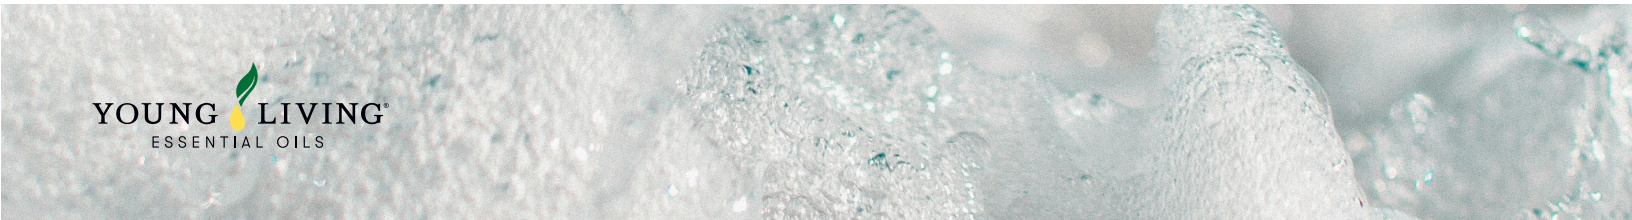

Damask Rose Extract + Botanical Blend: Rich in antioxidants and skin-conditioning botanicals, they help hydrate and condition skin for a soft, smooth, healthy-looking complexion.

Organic Aloe: Soothes the look of tired skin and provides an instant boost of hydration for a refreshing finish.

Murumuru Butter + Glycerin: Help condition and hydrate skin, supporting a smooth, healthy-looking complexion.

Directions

With clean hands, use fingertips to gently massage a moderate amount into clean, dry skin morning and night. Avoid the eye area.
