> EXPERIENCE

Citrus CBD Oil has a fresh, energising aroma. It's the perfect way to add some brightness to your day.

> PRODUCT BACKGROUND

Nature's Ultra CBD products are crafted using a blend of high-quality CBD isolate and Young Living essential oils. These world-class ingredients combine to form our very own Smart Spectrum CBD.

Our Citrus CBD Oil is crafted using Grapefruit and Orange essential oils. We cold press Grapefruit essential oil from the peels of the fresh fruit for a citrusy oil with the bright aroma of a grapefruit orchard. Orange essential oil is cold-pressed from the rinds of fresh, juicy oranges. By combining these oils with our CBD isolate, we've created a truly unique CBD oil that you'll love adding to your daily routine.
