

# Better Rest Core Starter Kit

Item No. 52273

---

Ease into restful evenings with this thoughtfully curated core starter kit. Featuring calming aromas and simple essentials, it's designed to help you create a soothing nighttime routine and wake up feeling refreshed.

## Why We Created This Kit

- Our Core Starter Kits are designed to offer a simple, affordable way to start and share your Young Living journey – no fuss, just the essentials. For Enrollers, this provides a focused and accessible way to introduce Young Living products, giving new Brand Partners the opportunity to experience them for the very first time. For more information, explore our Compensation Plan.
- Rest is the foundation of feeling your best. The Better Rest Core Starter Kit brings together carefully selected products to help you create calming evening moments and support a more consistent, relaxing nighttime routine.

## What's Inside

### Cactus Diffuser – Beige

Create a cosy ambiance with our chic Cactus Diffuser in a warm beige colourway. With up to 16 hours of run time and a warm LED light, it's perfect for adding a gentle, comforting ambiance to your evenings.

### Lavender 15 ml

One of the most loved and versatile essential oils, Lavender offers a soft, floral aroma known for its calming and balancing qualities. A timeless addition to any evening routine, it helps create a peaceful environment to unwind at the end of the day.

## Benefits & Features
