

Blue Tansy

Product Size: 5 ml

Item No. 33041

Native to Morocco, Blue Tansy is a rare botanical that is most commonly known for its use in luxury beauty products. Though blue tansy is harvested from tiny yellow flowers in the chamomile family, the naturally occurring constituent chamazulene transforms Blue Tansy essential oil a beautifully rich blue colour during the steam-distillation process. With its sweet, apple-like aroma, Blue Tansy is perfect for a blissful massage when diluted with coconut oil. Its unique aquamarine hue adds to its allure, though thorough dilution is necessary.

Indulge in a luxurious experience by combining Blue Tansy into a nourishing body balm before bedtime. Wake up to beautifully moisturised and refreshed skin, ready to take on the day ahead. Notably, Blue Tansy is a key ingredient in some of our most popular blends, including Valor® and Peace & Calming®.

Benefits and Features

- Has a sweet, floral fragrance.
- Creates an uplifting environment.
- Offers skin-cleansing and soothing properties.
- Helps reduce the appearance of blemishes.
- Can moisturise and help beautify the skin when added to a moisturiser.

Cautions

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication or have a medical condition, consult a health care professional prior to use.

Suggested Use

- Pop in your bag and inhale directly for a sweet, uplifting scent.
- Add Blue Tansy to Young Living V-6® and apply it topically to enhance the skin's natural glow.
- Enhance your favourite skincare products by adding 1 drop of Blue Tansy to support beautiful, healthy-looking skin.
- Add Blue Tansy to your personal fragrance blends.
- Dilute a few drops into 10 ml of Young Living V-6® as part of a grounding massage.

Directions

Apply to desired area. In case of sensitivity, dilute 10 drops in 10 ml of Young Living V-6®.
