

# Brain Power

Product Size: 5 ml

Item No. 33367

Created from Cedarwood, Frankincense and Melissa, Brain Power essential oil blend is a rich infusion of carefully selected botanicals with a herbaceous aroma and warm, earthy notes. This distinctive blend offers a refreshing scent that complements moments when you want to feel centred and focused.

Apply to pulse points and enjoy its grounding fragrance throughout the day, gently inhale the aroma for a revitalising moment, or add a few drops to a warm bath for a relaxing aromatic experience. With its balanced, botanical character, Brain Power brings a sense of clarity and calm that suits work, study, or quiet reflection.

## Directions

Apply to desired area. In case of sensitivity, dilute 15 drops in 10 ml of Young Living V-6®.

## Benefits and Features

- Features a rich, herbaceous aroma with warm, earthy notes.
- A distinctive blend of Cedarwood, Frankincense, and Melissa.
- Creates a balanced, grounding scent suited to moments of focus and reflection.
- Ideal for work, study, or quiet routines.

## Suggested Use

- Gently inhale the aroma to complement moments of focus while working or studying.
- Dilute with a carrier oil and apply 1-3 drops to pulse points to enjoy its grounding fragrance throughout the day.
- Keep nearby during busy work or school days and inhale the aroma from the bottle whenever you need a moment to refocus.
- Add a few drops to a warm bath for a relaxing aromatic experience.
