

# Breathe Again Roll-On

Product Size: 10 ml

Item No 3528525

A breath of fresh air, anytime you need! Breathe Again Roll-On is your go-to for a refreshing, invigorating aromatic boost whenever you need it. Whether it's an early morning, a long day, or an intense workout, this expertly crafted blend is designed to help you reset and recharge. It features four types of Eucalyptus, including Eucalyptus Blue, along with cooling Peppermint, soothing Myrtle, and the grounding aroma of Copaiba. Infused with the naturally occurring constituent eucalyptol, this roll-on is both revitalising and convenient—simply glide it on and embrace the fresh, rejuvenating scent wherever life takes you.

## Benefits and Features

- Has an invigorating, awakening aroma - especially when applied under the nose, on the head, or on the neck.
- Portable, easy-to-use roll-on design for quick application on the go.
- Blended with four eucalyptus oils.
- Invigorating scent supports a refreshing breathing experience.
- Can be applied to body after high-impact activity for a refreshing, cooling sensation.

## Suggested Use

- Inhale Breathe Again for a refreshing breathing experience.
- Apply it topically and inhale for a fresh, clean aroma in stuffy environments.
- Apply it for an invigorating aroma during seasonal changes.

## Cautions

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use. Not intended for use on infants.

## Directions

Apply generously to desired area.

# Breathe Again Roll-On
