

Di-Gize®

Product Size 15 ml | Item No. 32060

Di-Gize® is an exclusive Young Living blend that offers a comforting and soothing aroma. A combination of the herbaceous, earthy aromas of Tarragon, Ginger, Lemongrass, and Patchouli, with the refreshing notes of Peppermint and Juniper, and the licorice-like scents of Anise and Fennel, this beautiful blend is sure to become a family favourite. To enjoy the rich, calming scent of Di-Gize, apply it directly to your chest, wrists, and abdomen, so you can savour the aroma wherever you go.

Key Ingredients

- **Tarragon essential oil:** Native to southern Europe, Tarragon is used to flavour many popular French dishes. It has a strong herbaceous scent and contains the constituent cis-beta-ocimene.
- **Ginger essential oil:** Anciently used in China and India, Ginger has a warm, spicy aroma that's kept close during travel and turbulence and contains the constituents zingiberene and beta-phellandrene.
- **Peppermint essential oil:** This cooling, uplifting fragrance is distilled at Young Living's Labbeemint Partner Distillery in Washington, USA. Containing the constituent menthol, Peppermint essential oil delivers a soothing sensation when applied topically.
- **Juniper essential oil:** Grown at Young Living's Lavender Farm and Distillery in Mona, Utah, Juniper essential oil contains the constituent alpha-pinene and produces a sweet, woody aroma that creates a peaceful environment when applied topically.
- **Fennel essential oil:** Native to Australia, Fennel essential oil has a grounding aroma that helps set the stage for a soothing massage. Fennel has been used for a broad range of purposes since the ancient Egyptians and contains the constituent anethole.
- **Anise essential oil:** Native to Egypt and the Mediterranean region, Anise has a liquorice-like scent that is soothing when applied topically after dinnertime.
- **Lemongrass essential oil:** This essential oil produces a cleansing aroma when used in musky environments. Lemongrass essential oil is sourced from Young Living's Finca Botanica Farm in Ecuador. It contains the constituents geraniol and limonene.
- **Patchouli essential oil:** This essential oil, originally from Southeast Asia, possesses a balancing aroma that is often used to soothe the spirit. It also gives your skin a healthy, youthful-looking glow when applied topically and contains the constituent patchoulol.

Benefits and Features

- Produces an herbaceous, spicy aroma that is rich and calming
- Provides a comforting aromatic experience when applied topically to the abdomen at any time
- Soothes when used topically with massage
- Contains naturally occurring constituents trans-anethole, limonene, menthol, and zingiberene

Di-Gize®

Product Background

Di-Gize® is exclusively formulated by Young Living to provide a calming aromatic experience. Tarragon, Ginger, Peppermint, Juniper, Lemongrass, Anise, Patchouli, and Fennel essential oils give this exclusive blend a warm and spicy scent that is both exotic and comforting. The complex aroma of Di-Gize comes from its variety of oils that come from distant corners of the world. Peppermint is sourced from the Labbeemint Partner Distillery in Washington, USA; Juniper from Young Living's Lavender Farm and Distillery in Utah, USA; Lemongrass from Young Living's Finca Botanica Farm and Distillery in Ecuador; Tarragon native to southern Europe; Ginger growing in China; Anise native to Egypt; and Patchouli originating from southeast Asia.

Suggested Use

- Apply it topically after meals to enjoy its crisp, comforting aroma.
- Add it to Young Living V-6® Enhanced Vegetable Oil Complex for a soothing abdominal massage.
- Apply a few drops to your hands and inhale for a refreshing, calming scent.
- Use Di-Gize in your wellness regimen.
- Inhale this blend's grounding aroma when heading out on family vacations.
- Use this sweet and earthy aroma for a moment of togetherness with family after dinner.
