

Jade Lemon

Product Size: 5 ml

Item No. 33297

Grown in the warm, humid climate of southeast China, Jade Lemon boasts a unique characteristic. Unlike other lemons that release their oils as they ripen, Jade Lemon maintains its green hue even when fully mature, allowing the oil concentration to continue within the fruit. This results in a richer and more fragrant aroma, released only upon harvesting.

Expressed from the fruit's rind, Jade Lemon essential oil has an invigorating, zesty aroma that uplifts and energises. Tone and clarify your skin with just one or two drops in your daily lotion. Or infuse into your shampoo to amplify your hair's natural shine, leaving it bright and fragrant with a citrusy scent.
