

Lemon Myrtle

Product Size: 5 ml

Item No. 33323

Native to the lush rainforests of Australia, Lemon Myrtle essential oil is distilled from the leaves of the sweet verbena myrtle tree, often referred to as the “queen of lemon herbs.” Despite its bright citrus character, Lemon Myrtle belongs to the myrtle family rather than the citrus family.

Fresh, vibrant, and uplifting, Lemon Myrtle offers a clean lemon aroma that instantly brightens any moment. Add a drop or two to your favourite lotion for a refreshing addition to your skincare routine, or blend with Orange, Clary Sage, or Geranium to create a sunny, custom fragrance. Its crisp, invigorating scent makes it a versatile choice for everyday self-care.

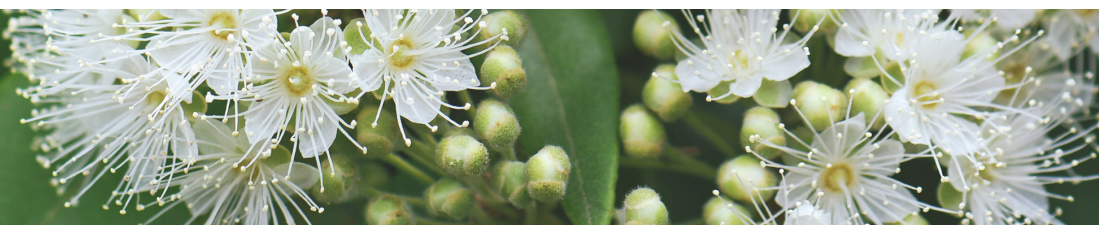

Benefits and Features

- Features a fresh, bright citrus aroma.
- Provides an uplifting and refreshing aromatic experience.
- Derived from the leaves of the Australian Lemon Myrtle tree.
- Commonly known as the “queen of lemon herbs.”
- A versatile addition to skincare and personal fragrance routines.
- Blends beautifully with Orange, Clary Sage, and Geranium.

Suggested Use

- Gently inhale the bright, citrusy aroma for a refreshing moment.
- Add 1–2 drops to your favourite lotion as part of your skincare routine.
- Mix with your base shampoo to enjoy a fresh, zesty scent.
- Add 6–8 drops to a warm bath for an uplifting aromatic experience.
- Dilute a few drops with 10 ml of Young Living V-6® Enhanced Vegetable Oil Complex and use for a relaxing massage.
- Blend with Orange, Clary Sage, or Geranium to create your own custom aroma.
