Live Your Passion

Product Background

This proprietary blend was created specifically for the Young Living 2016 International Grand Convention and was named after its theme, Live Your Passion. The convention's focus was to inspire and support people to pursue their personal goals and dreams and live a life full of meaning, purpose, and passion.

Changes and challenges in life can bring feelings of discouragement, and it's easy to lose focus on the things that are most important. Live Your Passion was formulated to support feelings of inspiration, confidence, and clarity, despite difficult times or circumstances. This blend reminds us to focus on the present and move past obstacles to build a new and better tomorrow.
