

Revitalising Daily Shampoo, Base

Product Size: 250 ml

Item No 49939

Better hair days start with Young Living. Tired of shampoos that irritate your scalp, leave buildup behind or strip your hair of its natural oils? We get it. That's why we created Revitalising Daily Shampoo—a gentle, plant-powered formula that doesn't compromise on performance. Free from harsh chemicals, it leaves your hair feeling clean and soft without stripping moisture or fading colour.

With thoughtful formulas, responsible packaging and our Seed to Seal® standard, this is hair care you can feel good about—inside and out. This unscented base is anything but basic. Add your favourite essential oils to customise it to your unique hair care needs.

Cruelty-free

Vegan-friendly

Benefits and Features

- Gently cleanses and soothes without stripping natural oils
- Leaves hair feeling soft and looking smooth
- Helps protect against breakage
- Formulated for all hair types
- Safe for colour-treated hair
- Free of parabens, phthalates, synthetic fragrances and harsh chemicals
- Packaged in recyclable bottles

Key Ingredients

Natural conditioning agent: Derived from an essential amino acid and rapeseed oil to leave hair feeling soft, smooth and easy to manage

Betaine-based humectant: Extracted from sugar beets to help maintain hair and scalp moisture

Lactic acid: A gentle, naturally occurring acid that helps regulate pH and improve hair manageability

Cautions

For external use only, avoid contact with eyes. If product gets into eyes, rinse thoroughly with water.

Directions

Rub a small amount between your hands to create a rich, luxurious lather. Massage into wet hair and rinse thoroughly. Follow with Revitalising Daily Conditioner for best results.
