

# Sensation

Product Size: 5 ml

Item No 33391

A romantic and uplifting blend of Ylang Ylang, Jasmine, Geranium, Bergamot, and Coriander, Sensation essential oil blend offers a sweet, floral fragrance that inspires joy, spontaneity, and self-expression. Dab onto your neckline during yoga or meditation to invite in mindful, happy moments, or add a few drops to your daily moisturiser for a skin-loving treat. This unique blend may encourage and amplify an atmosphere of love, excitement, and affection.

## Directions

Apply to desired area. In case of sensitivity, dilute 15 drops in 10 ml of Young Living V-6®.

## Benefits and Features

- Has a sensual, romantic aroma.
- Helps create an atmosphere of relaxation, peace, and balance.
- Contains a delicate combination of monoterpenes and sesquiterpenes.
- Supports the sacral and heart energy centres.

## Suggested Use

- Apply it topically when you feel emotionally disconnected.
- Gently inhale to create an atmosphere of ease while reflecting on life's roadblocks.
- Use during meditation or prayer to encourage feelings of relaxation and peace.
- Apply topically and inhale, or pair with breathing techniques to enhance mindfulness.
- Wear as a personal fragrance to boost confidence in the evening.
