

Super Cal

Product Size: 120 ct

Item No. 3244500

Super Cal is a specially designed food supplement, formulated with calcium and magnesium to take advantage of the synergistic properties of these important minerals. This carefully developed formula has been enriched with essential oils to support the action and functions of the minerals described above. The delightful blend of Wintergreen, Myrtle, Lemongrass, and Marjoram acts in concert with the minerals Calcium, Magnesium and Zinc, which contribute to the maintenance of normal bones, making this food supplement an excellent addition to your daily routine.

Benefits and Features

- Calcium contributes to the maintenance of normal teeth and bones.
- Zinc contributes to the normal function of the immune system and normal cognitive function.
- Magnesium supports normal nervous system function, muscle maintenance, and energy-yielding metabolism.

Cautions

Keep out of reach of children. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use. Food supplements are not a substitute for a varied diet and should be consumed as part of a balanced diet and healthy lifestyle. Do not exceed the recommended dose.
