

# Simplified – Tropical Tango Hand Cream

Product Size: 28.4 g

Item No. 43776

Welcome this new summer must-have! Simplified by Jacob + Kait Tropical Tango Hand Cream helps skin stay hydrated and soft and features the deliciously fruit scent of Tropical Tango essential oil blend.

Soothe and hydrate your skin with Tropical Tango Hand Cream. This limited-time product is enhanced with the delicious scent of Tropical Tango essential oil blend from the Simplified by Jacob + Kait Summer Collection. Give your hands a taste of the tropics with the aroma of fresh-picked florals, juicy oranges, and ripe coconuts. Tropical Tango Hand Cream helps skin stay hydrated and soft with its lightweight, non-greasy formula. Massage into your hands to keep them moisturised and protected, then cup them around your nose to feel transported to an island paradise.

## Benefits and Features

- Plant-based moisturisers help soothe dry skin and form a protective barrier on the skin.
- Lightweight and non-greasy formula.
- Features the Simplified by Jacob + Kait Tropical Tango blend with its sweet, fruity, island-inspired scent.

## Cautions

Keep out of reach of children. For external use only. Avoid contact with eyes. Discontinue use if irritation occurs.

## Directions

Apply to hands as needed.
