

Vanilla

Product Size: 5 ml

Item No. 35113

With its warm, rich, slightly sweet aroma, vanilla is one of the most popular and recognisable fragrances throughout the world for a reason. Young Living's exclusive Vanilla oleoresin has a gentle, welcoming personality with a balancing aroma that evokes pleasant memories when applied topically.

Extracted from beans grown in the north-western region of Madagascar, our premium Vanilla oleoresin is made with a unique extraction method developed for Young Living. This process helps our Vanilla retain its rich, classic aroma and blend especially well with Young Living essential oils. Obtaining just the right Vanilla oleoresin involves the removal of naturally sourced ethyl alcohol from French sugar beets, at which point the product is processed with fractionated coconut oil. While many vanilla products on the market are synthetic, Young Living Vanilla is quality tested to meet our rigorous Seed to Seal® quality commitment.

Vanilla has a pure, rich aroma that may change slightly as you use it in different ways. It also enhances and complements a wide variety of other aromas. Apply Vanilla to create a comforting, welcoming feeling and to enjoy its naturally calming aroma. Blend or layer it with your favourite Young Living essential oils to create your own personal fragrance.

Benefits and Features

- Premium Vanilla oleoresin in fractionated coconut oil.
- Warm, rich, sweet aroma that is balancing and calming.
- Helps condition and moisturise skin and hair.
- Blends beautifully with other essential oils, adding a sweet base layer.
- Creates a comforting, welcoming feeling when applied or inhaled.
- Evokes pleasant memories with its nostalgic aroma.
- Contains the naturally occurring constituents of vanillin and vanillic acid.

Suggested Use

- Apply topically or inhale to create a warm, comforting environment.
- Use as a base note when personalising fragrances and blend with Cinnamon, Ylang Ylang, Orange, or any of your other favourite oils.

Vanilla

Ingredients

Caprylic/Capric triglyceride, Vanilla planifolia fruit extract.

Directions

Apply to desired area. In case of sensitivity, dilute as needed in Young Living V-6®.

Cautions

Keep out of reach of children. For external use only. Keep away from eyes and mucous membranes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health care professional prior to use.
