WanderBliss Diffuser (Sage Green)

Item No. 44606

Embrace wanderlust with our WanderBliss Diffuser, now available in a stunning sage green hue, imbuing it with a cool, earthy vibe. Symbolising calmness, nature, and growth, sage evokes a sense of tranquillity and connection to the earth. With its portable design, you can effortlessly carry this diffuser from room to room, or even from place to place, ensuring that wherever you go, you can bask in these soothing feelings and embrace the serenity of nature.

Product Background

Exclusively designed for Young Living, the WanderBliss Portable Diffuser runs for up to 3 hours unplugged or up to 5.5 hours non-stop and 12 hours intermittently when plugged in. Simply add water and your favourite essential oils to transform any space. Plus, its convenient size fits perfectly in your car's cup holder, making it ideal for on-the-go adventuring.

Benefits and Features

- Exclusively designed and offered by Young Living.

- Now available in sage green.

- Completely portable – once charged it can operate without being plugged in.

- Perfectly sized to fit in a cup holder.

- Features LED light.

- Includes a USB power cord.

- Ultrasonic diffusion.

- Full battery can run diffuser for up to 3 hours continuously (unplugged from outlet).

- High mode runs up to 5.5 hours; Intermittent mode runs up to 12 hours (both while plugged into an outlet).

Directions

Twist and remove the outer cover. Add water until the level reaches the indicated line. Add 3-4 drops of essential oil. Place the outer cover back on the diffuser and rotate until it locks into place. Plug the USB cable into a power outlet (if you haven't charged the diffuser before). Press the On/Off button to switch on. The diffuser will produce mist and the LED light will be on. Once the diffuser is charged you can remove the USB cable and operate unplugged.
