# Wonderful Nebuliser – Navy

---

## Directions

1. Slide the nozzle upward and remove the empty bottle.
2. Fill the empty bottle or replace it with a bottle of your favourite essential oil.
3. Screw the bottle onto the nozzle, rotating the bottle counterclockwise to secure.
4. Slot the nozzle (with bottle) back into the diffuser, lining it up with the indicator mark.
5. Plug the nebuliser to a power source or use the battery if you're on the go.
6. Press the On/Off button once to start the device.
7. Press the button to change the mist output from low to mid/high.
8. Turn off the diffuser by pressing the button a fourth time or wait for it to shut off automatically at the end of the run time.
