

Mineral Sunscreen Lotion SPF 50

Product size: 85 g Item No. #24760

Young Living's Mineral Sunscreen Lotion SPF 50 is your new go-to in sun protection. Our dermatologist-reviewed sunscreen is free of UV chemical absorbers, and features naturally derived, mineral-based ingredients.

Lightweight and fast absorbing, this silky-smooth Mineral Sunscreen Lotion provides added protection from UVA and UVB rays and leaves no white residue, offering one more way that Young Living can care for you and your family!

Key Ingredients

Helichrysum essential oil, Carrot Seed essential oil and Frankincense essential oil

Benefits and Features

- Mineral sunscreen with SPF 50 broad-spectrum protection
- Protects from UVA and UVB rays
- Non-greasy, matte finish, making it perfect for everyday use
- Helps protect against sunburn for all skin types
- Recommended by the Skin Cancer Foundation for daily use
- Helps prevent skin damage and premature ageing from the sun when used with other sun protection measures
- Smooths easily onto skin and doesn't leave a white residue
- Dermatologist reviewed

Mineral Sunscreen Lotion SPF 50

Ingredients

Caprylic/Capric triglyceride, Zinc oxide, Beeswax, Ricinus communis seed oil, Coco-caprylate/caprate, Cocos nucifera oil, Tocopherol, Polyglyceryl-3 polyricinoleate, Helianthus annuus seed oil, Isostearic acid, Helichrysum italicum* oil, Lavandula angustifolia* oil, Commiphora myrrha* resin oil, Cistus ladaniferus* oil, Cananga odorata* flower oil, Daucus carota* oil, Boswellia sacra* resin oil.

May contain: Benzyl alcohol**, Benzyl benzoate**, Benzyl salicylate**, Coumarin**, Eugenol**, Farnesol**, Geraniol**, Isoeugenol**, Limonene**, Linalool**

*100% pure essential oil

**Natural constituents of essential oils

Directions

Apply generously and evenly 15 minutes before sun exposure. Rub in well. A reduced quantity lowers the protection level significantly. Reapply frequently (approximately every 80 minutes, do not exceed 2 hours) to maintain protection after perspiring or swimming; reapply immediately after towelling. Sweat and water resistant. Children under 6 months: consult a doctor before use.

Avoid contact with clothing, fabrics, and surfaces as this may cause permanent staining. Wait for the sunscreen product to be fully absorbed.

Cautions

Keep out of reach of children. For external use only. Discontinue use if skin irritation occurs. Do not use on damaged or broken skin. Avoid contact with eyes. If contact occurs, rinse them immediately and thoroughly. If product is swallowed, get medical help or contact a Poisons Information Service right away.

Warning: Skin Cancer/Skin Aging Alert: Spending time in the sun increases your risk of skin cancer and early skin aging. This product does not provide 100% protection. It has been shown only to prevent sunburn, not skin cancer or early skin aging. Do not stay in the sun too long, even while using a sunscreen product. Keep babies and young children out of direct sunlight. Over-exposure to sun is a serious health threat.
